

# Design Drawings

**Activity:** Draw a top view and a either a side or front view of your final design idea.

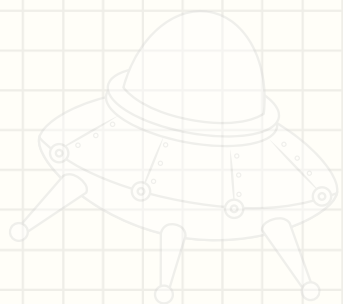

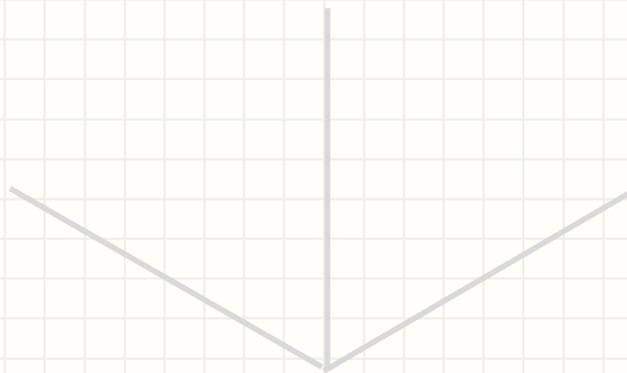

TOP VIEW

FRONT/SIDE VIEW

**Activity: Pictorial views**

Sketch one small part of your iterated design as a pictorial view.

ISOMETRIC VIEW

**Activity:** Using the isometric grid below try drawing/sketching a more detailed example of your iterated design. Include some measurements.

Annotate your design using notes with arrows. Explain the highlights of your design.
